Dear Friends:

Congratulations on today's ground breaking at Minden West Estates. This accomplishment is directly attributable to the commitment and dedication of Excel Development Group and Midwest Housing Initiatives partnering with funding agencies to provide affordable senior housing.

I wish I could be with you today to personally thank each of you for your contributions to keeping our rural communities viable. This project is an excellent example of what can be accomplished through cooperation and commitment. You represent the best Nebraska has to offer.

Again, thank you and congratulations!

Sincerely,
